*This is only the Outdoor Furniture Section of the Henri Catalog. For the Full Catalog, please select it from the list of catalogs.*

# Product Finish Selections

We offer an unparalleled selection of popular finishes. From traditional colors to popular Hi-Tones, from rich and radiant European antiques to subtle, fashion forward stains, the vivid palette of Henri finishes expands the possibilities—beautifully. Henri studio uses only the finest materials and most advanced processes to ensure our finishes are the hardest and most durable available in cast stone. There are four categories of Henri finishes—and all are tasteful, attractive, and long lasting.

## NATURAL

Henri cast stone without a paint or stain finish, the most refined and unblemished available.

*Natural (NA)*

## HI-TONE FINISHES

Subtle tonal highlighting in which various hues or color tones are applied discretely to a given piece, blended to the perfect overall effect in vibrant but tasteful fashion. Only select Henri items are available in Hi-Tone, and these are usually depicted as such in the Henri catalog. Popular Henri Hi-Tone brings sculpture to life.

*Hi-Tone (HT)*

## STANDARD FINISHES

Traditional paint and antique finishes. Many are proven best sellers, continually popular on Henri fountains and statuary for decades.

*Tuscan Sienna (TU)*

*Golden Moss (GM)*

*Clay Taupe (CT)*

*Sunterra (SU)*

*Trevia Greystone (TR)*

*Sorrento Sandstone (SR)*

*Elban Olivestone (EB)*

*Pompeii Antique Ash (PM)*

*Aged Iron (AI)*

*Garden Stone (GS)*

*Bronze Patina (BP)*

*Mediterranean Sunset (ME)*

*Ivory (IV)*

## RELIC STAINS

These extraordinary colors infuse any Henri cast stone creation with the aura of antiquity, as if unearthed from an ancient site or recovered from an Old World seabed. Relic's mottled, stained and weathered look blends rustic earth tones into unique and beautiful combinations. And they are perpetually changing, darkening when wet, evolving through time. Although the Relic Stains can be applied to any Henri piece (except for our No. 2222 Classical Garden Gazebo), they are recommended for classic, rustic, and traditional fountains and statuary, especially those with textured and distressed surfaces. The Relic Stains are most effective with these designs, enhancing and revealing the rich character sculpted into each Henri creation.

*Relic Lava (RL)*

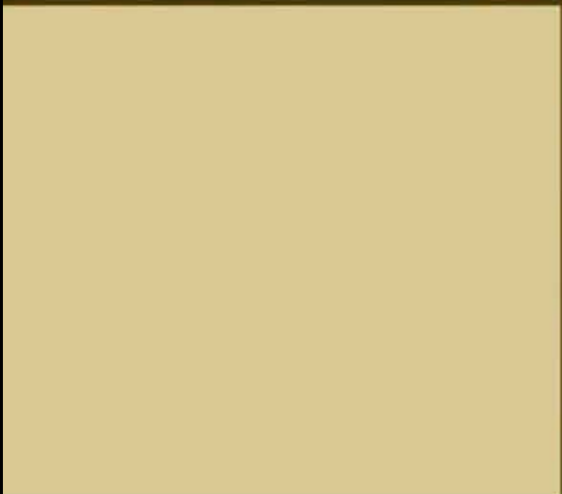

*Relic Barro (RB)*

*Relic Terra (RT)*

*Relic Sargasso (RS)*
